

Are your attitudes about getting a job still stuck in the industrial age? Are you stuck in a job you don't like, doing work that's boring? Have you ever wondered what it would be like if jobs came to you? In *The Job Seekers Companion*, job-seeking expert Daniel Stern shares his secrets to getting the job of your dreams. I'm a young guy, and I have a lot of new ideas about getting a job, says Stern. A lot of people are still reading books on how to get a job that were published in the 1980s, and I wanted to change that. *The Job Seekers Companion* is loaded with all kinds of nifty info, including: how to perform strongly in interviews, how to get better interviews that turn into jobs more often, how to use LinkedIn to automatically generate leads, and much more.

Treasures Of The Heart, *Marchen Von Hermann Hesse (German Edition)*, *Transforming Overwhelm*, *Handbook of Dental Trauma: A Practical Guide to the Treatment of Trauma to the Teeth*, *Sexual Assault and Abuse (Confronting Violence Against Women)*, *Red Plume: Or A Friendly Redskin (1902)*, Emerald,

What can we learn from people who are successful? Read about these 5 common traits that set successful people above the rest.
